Dear Sir,

Request for Approval to Conduct the IEEE Sri Lanka Inspire Uva Province

Career Compass Session

I am writing to request permission to hold the IEEE Sri Lanka Inspire Uva Province Career Compass Session in the Technology Lecture Theatre at Uva Wellassa University of Sri Lanka on Sunday, October 28th, 2025.

IEEE Sri Lanka Inspire Uva Province Career Compass is organized by the IEEE Uva Wellassa University Student Branch in collaboration with IEEE SL Inspire, a national project by IEEE Young Professionals Sri Lanka, aimed at guiding students in making informed educational and career choices.

The session is designed specifically for Grade 10 and 11 students in the region, providing valuable guidance on academic pathways and career prospects to help them navigate their futures with confidence and ambition. We believe that hosting this event at our university would create a positive impact on these students and reinforce our institution's role in community support.

We kindly seek your permission to organize the IEEE Sri Lanka Inspire Uva Province Career Compass Session.

Thank you very much for considering our request. We look forward to your favorable response.
